Non-wood Certificate

The one-way pallets with honeycomb and sleeve feet submitted for testing on 11 February 2004 are comprised of:

- Test liner
- Fluting
- Kraft liner
- Woodfree core
- Woodfree adhesives

The one-way pallets with honeycomb and sleeve feet are definitely not made of wood.

For more detailed results, please refer to the PTS test report no. 7271 issued on 18 February 2004.

Inspection of sample material and confirmation of the above results by authorized laboratory of
